## Travel Towel - Leage

### Travel Towel

Compressed cotton towels (cut velvet or terry, 100% cotton), coin tissue (perforated spunlace non-woven, 100% viscose), advertising towel, T-shirt towel, bath towel, underwear and other compressed towels use advanced fully-automated production equipment to produce and pack, after disinfection with high-temperature and high pressure and other stringent procedures and the new products made of. The products clean, soft, comfortable, water etc is to prevent cross-infection of the best choices of products. They can be compressed into some shapes such as round, global, oval, heart, square, rectangle, card, Santa Claus, bottle, car, cell phone, or other shapes. They can spread into new fresh towels when being put into water for about 1-10 seconds, and are used and taken with you easily and conveniently.

Additionally, colorful printing can be made as per your favor and request either in towels or in package, which are novel design and fashionable pattern. Therefore they are widely adopted in all kinds of fields and occasions such as ad promotional gifts, crafts, festival gifts, hotel necessities, and souvenirs.
